**Summary**

Completion of a handbook on daffodil growing for commercial growers (similar to previous ADAS guides).

As part of a former DEFRA project (no HDC involvement), technical information and data was accrued on narcissus production, but never compiled into a useable handbook. HDC was requested to finance this completion of the work so that the information is not lost and can be utilised or up-dated in the future.

## Further information

Email the HDC office ([hdc@hdc.org.uk](mailto:hdc@hdc.org.uk)), quoting your HDC number, alternatively contact the HDC at the address below.
